IPR-I80-PRT

Protector for Sirius i80 card reader

DESCRIPTION

The i80 protection cover is specifically designed for outdoor applications or where additional mechanical protection is needed. The protection cover is equipped with a position guide which always allows the reader to be placed neatly in the housing. The protection cover is provided with 4 mounting holes, which ensures a firm installation of the reader on a wall or column.

FEATURES

Installation on metal surfaces

Temperature -40 °C to +90 °C

Easy to install
