

IPR-IX30-IK10-SPC

Spacer for Sirius iX30-ik10 card reader

DESCRIPTION

The standard Spacer for the Sirius IX30-ik10 is often used on door posts where cable entry from the rear is not possible, or where additional space must be created from a metal door post. The Spacer is equipped with a made-to-measure profile which always enables a precise installation of the card reader. The Spacer is available in color black.
