

# NVH PRO SERVER STORAGE

Professional server storage for the most demanding storage environments.

## DESCRIPTION

VDG's Professional video server storage hard drives are available from 2Tb up to 20TB capacities to suit even the most demanding needs.

The combination of high-capacity, peak performance and robust design make VDG Pro video server storage drives ideal for heavy workload environments, delivering both performance and reliability to any datacenter environment.

## FEATURES

---

Performance-optimized disks for heavy application workloads

---

Can be used in all NVH hardware

---

Raid configurable  
(RAID0,1,10,5,50,6,60)
